(25) Sign and participate in an MOU with the Department of Defense pursuant to DoD Instruction 1322.25 prior to Soldiers receiving TA approval to attend their institution.

#### **4. Mutual Agreements:**

a. It is mutually understood that the following general provisions concerning educational services will be adhered to by both parties.

(1) Academic institutions providing on-post courses or degree programs may provide academic program support e.g., scholarships, internships for students to work in education centers, on-line or face-to-face tutorial services, and no-cost instruction in locations such as classrooms, Army Learning Centers/Multi-use Learning Facilities, computer laboratories, or academic skills centers. Academic support will be available to all military students, their families and others.

(2) Central Michigan University and Fort Leavenworth make no commitment on the specific number of military students, the availability of TA or the continuing availability of students entitled to in-service VA education benefits.

(3) Active duty military students will be afforded the same registration priority whether payment is through TA or other means (VA, self pay, etc.). Fort Leavenworth agrees to allow students other than those on active duty the right to participate in the Central Michigan University program providing Fort Leavenworth security and essential mission commitments permit, and Fort Leavenworth pass/ID requirements are satisfied. The institution agrees that its employees/students will honor all requirements established as a condition for entry to Fort Leavenworth.

(4) DoD directives prohibit the payment of TA and YA education benefits to cover cost of the same course.

(5) Admission of candidates to the Central Michigan University program will be at the sole discretion of the University. Priorities for enrollment are active duty military personnel, reserve and National Guard personnel, adult family members, DA and DoD employees, other federal employees, and military retirees; all may participate in the voluntary education service program. In the event it becomes necessary to restrict access to the program and accompanying services, the above order of priority applies. Members of the community may participate on a space-available basis according to the Fort Leavenworth policy at that time. This priority enrollment system will apply only to early and regular registration. Thereafter, registration for Fort Leavenworth classes will be on a first-come, first-serve basis. Within the stated order of priority, students who have matriculated with the University will have enrollment priority over non-matriculated students.

(6) Fort Leavenworth will not discriminate against participants because of race, religion, national origin, age, gender, or physical handicap (where the handicapped person is otherwise qualified). Central Michigan University affirms that it is an AA/EO institution and is strongly and actively committed to increasing diversity and providing equal opportunity within its community.

(7) Maximum class size will be 30 unless the applicable classroom cannot accommodate that many students. Classes over 30 will be split into two separate and equal sections of the same class. The ESQ will determine the adequacy of the facilities for this purpose. Classes with fewer than 10 students may be canceled at the discretion of the University, in coordination with the ESQ. Central Michigan University will endeavor to offer the class by individualized instruction to students needing the class for graduation, subject to the availability of instructors.

(8) The ESQ is responsible for documenting and formally advising university officials whenever questionable situations are observed relative to compliance with the minimum benchmarks established by this MOU, DoD criteria set forth in AR 621-5, MYER standards, and the appropriate regional accrediting associations. The ESQ will be advised of and involved in the resolution of all unresolved situations. The ESQ, the University representative and designated Central Michigan University on-campus officials will confer as needed until resolution occurs.

(9) Compliance with the DoD joint ethics regulation is required if Fort Leavenworth personnel (active duty military or DoD civilians) are considered for employment by Central Michigan University. Questions regarding the applicability of the joint ethics regulation for such employment will be referred to the Fort Leavenworth Staff Judge Advocate for determination.

(10) Central Michigan University faculty and staff will not be employed by or serve in any other capacity within the education service program without the specific written concurrence by the ESQ.

(11) This MOU may be terminated by either party, at any time, with 180 days written notice, to the other party. In the event war or other matters beyond the control of Fort Leavenworth prevents the Installation from complying with the provisions of this MOU and thus deny Central Michigan University the ability to conduct courses on Fort Leavenworth, this MOU may be suspended. Since contractual arrangements with faculty could obligate the University for payment of salaries, more than 180 days notice is desirable.

(12) In the event of termination of program, a mutual effort will be made to ensure a smooth transition during the teach-out phase. Central Michigan University will immediately notify all concerned students and ensure a smooth transition to another program or degree completion with the University, as appropriate. The teach-out transition will offer students the option of completing remaining degree requirements without loss of credit. No new students will be enrolled in the Central Michigan University program once the program has been identified for termination. Each student will be individually counseled and provided with a plan for completing remaining degree requirements. Categorically, these students fall into the following groups:

(a) Students who complete their remaining program requirements through Central Michigan University on post courses during the teach-out.

(b) Students who can complete the remaining credit from another accredited institution to earn a degree conferred by Central Michigan University.

(c) Students who cannot complete Central Michigan University requirements during the teach-out phase, but can do so through special arrangements utilizing the degree completion program.

(d) Students who can transfer their program requirements to a substitute program without loss of credits, previously awarded/accepted by the University. The ESO will ensure that Central Michigan University and the institution accepting the transfer credits during the transitional teach-out have provided students follow-up guidance.

(13) This MOU defines the entire relationship between Fort Leavenworth, the ESO, and Central Michigan University and supersedes any previous verbal or written agreements of understanding. Failure on the part of any party to comply with the provisions of this MOU may result in the elimination of these academic programs on Fort Leavenworth. No change or modification of this MOU shall be valid unless or until it is in writing and signed by all parties.

(14) This MOU becomes effective when signed by both parties. An annual review will be conducted by both parties to verify accreditation status, update program offerings, and review program delivery on budget data.
